All Children Belong Here
This is Our Promise to You

• We will build an open, safe, and mutually respectful school community in which each child and each family is an important and equal member.

• We will never allow differences of any kind to be an excuse to make fun of, exclude, or hurt you.

• We will listen carefully and lovingly to what worries you and give you thoughtful, age-appropriate information and support.

• We will nurture you to feel strong and proud about yourself and your family.

• We will facilitate your skills to be friends with classmates who are alike and different from you.

• We will honor your family’s importance to you by building respectful partnerships with them.

• We will provide support to you and your family when they feel stress, anxiety, or fear because of current events or acts of prejudice or hate.

• We will learn about and help your family use legal and community resources to keep you safe.

• We will work to uproot our own personal biases as adults and will speak out against prejudice and bias wherever we encounter it.

• We will mobilize our courage and become active with others to resist and change any policies and practices that threaten to hurt you or your family.

You are welcome and safe here — exactly as you are.
